The Fuel and John Wicker Trust - Report for 2024

The Fuel and John Wicker Trust had an income of £1,986 in 2024 and paid out £2,400 in grants. These were made up of Christmas donations of £80 to each of 18 parishioners totalling £1,440, £100 in food vouchers to each of 2 families and a contribution of £760 to the Good Neighbour Christmas lunch.

The income of the Trust is modest but the Trustees would like to hear of any parishioner who may be in some financial difficulty and could benefit from a one-off grant from the Trust.

The trustees remain Sam Eeley, Ann Mowat and the Rev Gareth Miller.
