The Fuel and John Wicker Trust - Report for 2025

The Fuel and John Wicker Trust had an income of £2,020 in 2025 and paid out £2,450 in grants. These were made up of Christmas donations of £100 to each of 16 parishioners totalling £1,600, a grant of £500 to a villager, a £100 food voucher to one family and a contribution of £250 to the Good Neighbour Christmas lunch.

The income of the Trust is modest but the Trustees would like to hear of any parishioner who may be in some financial difficulty and could benefit from a one-off grant from the Trust.

The trustees remain Sam Eeley, Ann Mowat and the Rev Gareth Miller.
