Reaching Out Coffee Mornings in 2025

Our Reaching Out Coffee Mornings continue to be a successful event held in the Oxford Arms by courtesy of Scott Patterson.

We continue to welcome villagers on the second Thursday of the month from 10.30-11.30am where coffee and tea is served along with cakes and savouries.

Our Christmas coffee morning was made more enjoyable by Kirtlington School choir singing Christmas songs to us.

Scott kindly provided a glass of mulled wine for everyone to celebrate Christmas.

The Reaching Out Coffee Morning is a great opportunity for villagers to enjoy the company, food and coffee and have the chance to have a chat. Hopefully more villagers will attend in the future and if so, they will be given a friendly welcome.
